

IF SEEING GAUDÍ HAS LEFT YOU OPEN MOUTHED, WELL WHY NOT MAKE THE MOST OF IT AND EAT SOMETHING IN BARCELONA.

Enjoy our gastronomy. In a restaurant, a sunny terrace bar, or while you're strolling down the Rambla. And when you're full, choose between: more Gaudí, museums, exhibitions, monuments, festivals, trade fairs, conferences... Or if you fancy it, just go shopping. Or have a rest. For example, on one of our beaches... At night, Barcelona stays awake. Design bars and discos. You won't be able to do it all. Because once you start, you soon see that there's always another Barcelona to discover.
